## A Few Words From Our Pastor.....

My dear Parishioners, Friends of our Parish, Brothers and Sisters,

Queen of the Rosary, pray for us! October in a special way is dedicated to Our Blessed Mother, Queen of the Rosary. Rosary prayer may seem uninteresting and even boring. Is it really? I don't think that one mom was ever bored when her children repeated, "I love you, Mom." A mother reacts to every child's call. It is the same thing with the Rosary. Mary is our Mother. When we recite the rosary, we are like a baby, like a little kid. Is Mary happy with our words of love? I'm sure she is! This is an echo of the joyful meeting in Nazareth, where the Angel Gabriel told her that she was "full of grace," and she accepted God's call with humility, calling herself the Lord's handmaiden. She is "full of grace," so we are aware of our imperfection. We ask her, "Pray for us sinners" so that we too may be filled with the grace of God's friendship. Praying the rosary does something to the soul. It allows Mary to shape and form us in the image of her Son and love Him through His mother's mind and heart.

Whenever Our Blessed Mary wanted to send a message to the world, she came to the chosen people with a rosary in her hand and urged them to pray. It happened in Lourdes in 1858, and again 100 years ago in Fatima in 1917. Rosary prayer is very important and especially pleasant for Mary, and very effective for us, her children. It comes out of the Gospel and it's a summary of Christ's life. Prisoners of war in concentration camps were making rosary beads with kneaded breads. And how many times in the pockets of fallen soldiers were found rosaries, often bloodied? These items were sent as relics to family homes – to their wives, mothers and children. St. Padre Pio, two days before his death, said: "I would like to invite all sinners from all over the world to love the Mother of God. Always pray the Rosary. And pray as often as you can. Satan is always trying to destroy this prayer, but he will never succeed. This is her prayer who reigns over all. It was she who taught us to pray the Rosary, as Jesus taught us to say the Our Father." Michelangelo, one of the world's greatest sculptors, created a monumental fresco that decorates the Sistine Chapel – The Last Judgment. In one scene, we can see an angel, who gave a Rosary to one couple, and the Rosary draws them to heaven. The bishop, who was to decide whether to ordain the future Pastor of Ars, was afraid to make such a decision, because St. Jean Marie Vianney could not learn many things from theology and Latin. Finally, the bishop asked him, "Do you know the rosary prayer?" "I love that prayer!" – answered Vianney. Hearing this answer, the bishop said, "Let's ordain him. He will be a good priest." One student taking a train in France took a seat next to a modestly dressed man who prayed the rosary. "Please take my advice and throw this rosary out the window and read a little of what science is saying about your God. I will send you the literature that will help you in this matter." But that man silently handed the young man a business card which read: "Ludwik Pasteur, Director of the Institute for Research, Paris." Ludwik Pasteur was one of the greatest scientists in the 20th century and the creator of modern bacteriology. And every day he prayed a rosary!

As Robert Kennedy lay wounded – 17-year-old Juan Romero who was shaking Kennedy's hand when an assassin fired the shots – cradled the senator's head and placed a rosary in his hand. Kennedy asked Romero, "Is everybody OK?" and Romero responded, "Yes, everybody's OK." Kennedy then turned away from Romero and said, "Everything's going to be OK."

(Continued on page three →)

Do you remember what I asked of you a year ago? I asked each of you to recite a decade of the Rosary, every single day, for the intentions of our parish – for good will, peace and unity among us. And I'd like to ask you the same this year. I know you're working, you're busy – but I believe that we are a people of good will and our hearts hold the good of our parish. So, we will pray the Rosary together throughout this October for our parish. Okay?

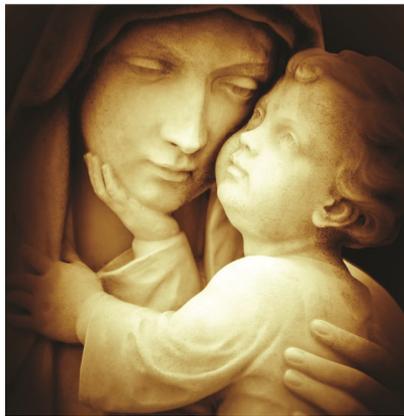

Look at this famous picture – Lance Cpl. Blas Trevino, 1st Battalion, 5th Marines clutches his rosary beads on board a medivac helicopter transporting him to safety. Recounting the incident, Anja Niedringhaus, who took this photo in 2011 in Afghanistan, described how Trevino had collapsed on a stretcher, exhausted, after reaching the helicopter.

"You made it! You made it!" a medic shouted. Trevino lifted his head to scream: "Yes, I made it!"

May Mary, Queen of the Rosary be a constant sign of hope and peace for us! I wish you all a wonderful Sunday rest and a great week. I remember you in my everyday prayers, and I ask you to pray for me too, please. May God reward you for all the good that you do for Sacred Heart Parish.

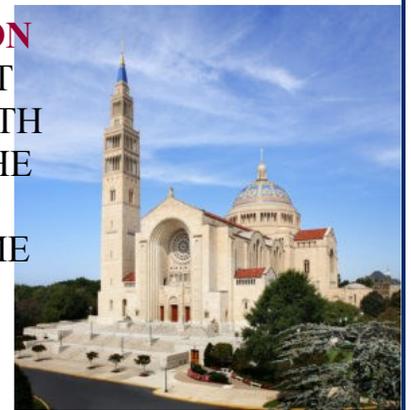

With prayer, Fr. Jacek

# LIFE PRAYER CHAIN

**Respect Life THIS Sunday ~ October 1st ~ 2:00pm –3:30pm**

Did you know that over 90% of women who have had abortions said that it was not thought out...it was an impulsive decision made out of despair and fear ...and they would not have, had they been given the right information.

**Choosing life is infinitely harder now. Pressures and demands come from so many places.** Parents, friends, spouses, employers, teachers, counselors, the media and society itself all seem to want to have a voice in what choice should be made for a new life.

*“I have set before you life and death...Therefore choose life that both you and your descendants  
MAY LIVE.” Deuteronomy 30:19.”*

These scripture words were spoken centuries ago but seem to apply even more so today. Please join us on Sunday as we silently and lovingly proclaim that abortion is not a solution...it is a critical mistake.

The **location** for Sacred Heart parishioners is in front of **Wendy’s on the north side of 159th Street between Harlem Ave. & 80th Avenue, between 2:30P – 3:30P.**

Please arrive at 2:00P to pick up your sign and join our community as we gather together in a prayerful demonstration.

**See you there for peaceful witness and silent prayer!**

## Statement of Cardinal Cupich on the Rescission of DACA

September, 2017

President Trump ended the Deferred Action for Childhood Arrivals (DACA) program and the dreams of nearly a million young people covered by the executive order and applying for inclusion. In the past the president stated that the Dreamer story “is about the heart,” yet today’s decision is nothing short of heartless. The Dreamers are now left in a six-month limbo, during which Congress is supposed to pass comprehensive immigration reform, a feat they have been unable to achieve for a decade. In fact, this inability to agree on a just immigration system led President Obama to sign the executive order protecting minor children brought to this country by their parents.

As the considerations of the “heart” seemed to be insufficient to keep protection in place, Congress must now act decisively and swiftly. An immediate first step is for our leaders to pass legislation that will protect those previously covered by the DACA program, while they deal with the long-overdue comprehensive reform of our immigration system. They must be guided by compassion and respect for human dignity, and honestly consider the substantial evidence that deporting these young Americans would do great economic harm to the states where they reside.

## LITURGICAL MINISTRY ~ OPPORTUNITIES FOR SERVICE

Every weekend the Sacred Heart community comes together at Mass to celebrate all that God has done for us, especially throughout the past week. Out of this community gathering, individuals are called to minister as Lectors, Ushers, Sacristans, Altar Servers, Music Ministers, and Extraordinary Ministers of Holy Communion/Eucharistic Ministers (along with the priests and deacons, the liturgy planners, those who decorate the church, and the church cleaning and maintenance personnel). Each weekend Mass utilizes the service of at least 30 persons to prepare and facilitate the “work of the people,” the liturgy. Today we are appealing for your help—we are in **GREAT NEED** of more people to come forward and assist in these ministries.

If you know of someone (or you yourself) who would make a good candidate for the ministry of Usher, Eucharistic Minister, Lector, Altar Server (youth or adult), or Music Minister, please submit his/her/your name and telephone number to Rita Burns at the Ministry Center, 974-3336. Training sessions and enrichment programs are available at various times throughout the year. Some offerings follow:

Training for (new) Eucharistic Ministers **Oct. 9 & 11 7:00 p.m.** St. John Fisher, Chicago  
(Sessions for new Eucharistic Ministers will also be held in spring, 2018.)

Morning of Reflection for Lectors **Oct. 10 9:00 a.m.** St. Daniel the Prophet, Chicago

As part of our parish’s participation in the Archdiocese of Chicago Vicariate V Ministry Commission, all programs are free to parishioners of Sacred Heart Parish, unless otherwise noted. The full 2017-2018 Calendar of Events published by the Ministry Commission of Vicariate V can be found on their website: [www.ministrycommissionV5.com](http://www.ministrycommissionV5.com)
