# SACRED HEART PARISH PICNIC

**Sunday, August 6th**

Happy Summer! Just two months until our Annual Parish Picnic 2023!! Despite the downpouring of rain last year, we still had a fabulous picnic thanks to our committee’s fast-thinking and LOTS of rearranging for an indoor event!! We still had a successful picnic due to YOU, our parishioners who come and support our beautiful parish. We will continue to have plenty of food, beverages, and “lots” of fun just like always! Most importantly, we will be together again!

One thing that has not changed is that we still need your Sponsorship support. We realize that financial responsibilities have been altered for some of us the last few years, but please know that No contribution is too small . . . Any amount is appreciated and will make a difference.

Your donation may be dropped off at the Ministry Center Office in an envelope clearly marked **“Picnic Sponsorship”**.

The Ministry Center Office is open Monday, Wednesday & Friday between the hours of 10 am and 6 pm.

Or you can dropped them off in the lockbox next to the front door of the Ministry Center Building.

## Those *Special Men* In Our Lives

Happy  
FATHER'S  
DAY

We acknowledge the men in our lives who are or have been our fathers. We also celebrate those husbands, sons, grandfathers, godfathers, uncles, brothers, and friends who have been like fathers to us. We pray for them this Father's Day as we remember the love, kindness, and nurturing these men, young and old, living and deceased, have brought to our lives.

# CCW BAKE SALE

I have been a member of Sacred Heart Parish for many years and some of my favorite memories include the delicious, lip smacking bakery items made by the women of the Sacred Heart Council of Catholic Women. Our ladies are some of the best bakers in Palos Hills and I would feel comfortable stretching that to the Chicago archdiocese and perhaps even the whole State of Illinois!! Many of our ladies are baking for the Lord up in heaven, but I believe there are a lot of us left. Therefore, the CCW volunteered to run the bake sale for this year's picnic! We wanted to let you know in plenty of time so you could plan your baking for days when it's cooler out and not as hot and steamy! Most of us are up early anyway so while it is early and your kitchen is still bearable, bake one of your special recipes. Can we count on you to bake a couple of your favorites so we can run the most successful Bake Sale in years? Besides bakers, we also need people on Saturday to accept goodies and prepare them for sale and people to sell them on picnic day!

If you can help us, please call our president, **Melanie Karnia (708) 430-1593** and give her your name and hours you can help on **Saturday August 5<sup>th</sup> and/or Sunday, August 6<sup>th</sup>**. And we will be in the Moscow Center and will not have to be out in the heat on Sunday -- we will be in air conditioning! *Wow, now I feel like I can't wait for the picnic!*

## ATTENTION!

Are you looking to complete your Sacraments of Baptism, Holy Communion and or Confirmation? If you are 16 years or older, you are eligible to join our Adult Education Sessions. Our Adult sessions will begin in late September and Sacraments are presented at our Easter Vigil on **Saturday**

If you are interested please call 708-974-3336 Ext 245 and we will contact you to discuss your needs in more detail.

Deacon Tom and Linda Rzendzian

## Creation Care Corner

*"Living our vocation to be protectors of God's handiwork is essential to a life of virtue."*  
— Pope Francis

**Cool Efficiently.** Nearly half of the energy used in your home goes to heating and cooling. So making smart decisions about your home's heating, ventilating, and air conditioning (HVAC) system can have a big effect on your utility bills - as well as on fossil fuel energy consumption and Creation Care! Cooling tips include:

- Cover windows with drapes or shades especially on south and west facing windows.
- Weather-strip doors and windows, then add adequate insulation to keep the heat out.
- Regularly maintain home HVAC equipment and change filters. Programmable thermostats also save money.
- During the hottest part of the day, turn off anything that produces heat such as stoves, dishwashers, lights, etc. Also, consider turning up the thermostat temperature several degrees.
- If your AC is old, consider replacing with an Energy Star System. Better yet, see if replacing it with a highly efficient heat pump will work for you (which can both heat and cool your home). For more info: [www.energystar.gov/saveathome/heating\\_cooling](http://www.energystar.gov/saveathome/heating_cooling)
