## Sunday's Readings

### First Reading:

"Because you have asked for this—  
not for a long life for yourself,  
nor for riches,  
nor for the life of your enemies,  
but for understanding so that you may know what is  
right—  
I do as you requested." (1 Kgs 3:11-12)

### Psalm:

Lord, I love your commands. (Ps 119)

### Second Reading:

For those he foreknew he also predestined  
to be conformed to the image of his Son,  
so that he might be the firstborn  
among many brothers and sisters. (Rom 8:29)

### Gospel:

"The kingdom of heaven is like a treasure buried in a  
field,  
which a person finds and hides again,  
and out of joy goes and sells all that he has and  
buys that field." (Mt 13:44)

## Live The Liturgy Inspiration of the Week

Following Christ will take everything we have.  
Are we ready to give it all? At the end of our  
lives, let us hope we can say truthfully that we  
sold all we had in order to purchase the field  
which contained the great treasure.

## Saint of the week

Blessed Fr. Solanus Casey would have up to 200 people a day visit him for prayer and counseling while he worked as a doorkeeper at his various postings. He also co-founded the Capuchin Soup Kitchen during the Great Depression. It still serves people in Detroit to this day.

## Prayer

"Let us, therefore, not weaken. Let us hope when darkness seems to surround us. Let us thank Him at all times and under whatever circumstances. Thank Him for our creation and our existence. Thank Him for everything — for His plans in the past, that by our sins and our want of appreciation, have so often frustrated — and that He so often found necessary to change. Let us thank Him for all His plans for the future — for trials and humiliations as well as great joy and consolations; for sickness and whatever death He may deign to plan; and with the inspired Psalmist let us call all the creatures of the universe to help us praise and adore Him Who is the Divine Beginning and the everlasting Good — the Alpha and the Omega."

(Prayer Source: An exhortation by Fr. Solanus Casey)

## Missionary Co-op For The Weekend Of August 12/13

### About the Preacher:

Rev. Fr. Joyanto Sylvester Gomes was born on 23 September 1960 and finished his degree level studies from Notre Dame College, in Dhaka. He was ordained a priest on December 27, 1988. Later, he received a Masters in Mass Communication from the University of Ateneo De Manila. He has been serving as a parish priest in a large parish in Dhaka. He has worked in different capacities for example: formation in the Minor Seminary, head of the Christian Social Communication Centre and Coordinator of Radio Veritas. He is a very responsible, hardworking and a dedicated priest in the Archdiocese.

**Introduction:** Bangladesh has a total population of 168 million people. About 90% of the population is Muslim, a small percentage are Hindu and Buddhist, and less than 1% of people are Christian. There are eight Dioceses in Bangladesh. Dhaka is a major city. More than 20 million people live in Dhaka, and it is one of the most densely populated and most polluted cities in the world. There are many poor people who live in the slums and who lack proper food, housing and access to healthy sanitary system. The Diocese was built primarily by the American Holy Cross missionaries about 175 years ago. At present, there are 85,000 Catholics in 26 parishes and 24 sub-centers. There are about 35 Religious Congregations.

**Situation:** Bangladesh is an underdeveloped country in which 70% of people live in rural areas and depend on the agricultural product. The unpredictable weather becomes a significant problem with drought, heavy monsoon rain, natural calamities like cyclone, floods etc. Bangladesh is one of the poorest countries in the world; 60% of people are poor. The government health service is very inadequate and covers only 40% of people. Many people go to the village doctors, where they are cheated by traditional medicines. The treatment in private hospitals is very expensive. One physician is responsible for 10,000 patients. In the government health sector, there is high degree of corruption and mismanagement. There is no health insurance and many hospitals and doctors are very business-oriented.

**Purpose for Mission Appeal:** Firstly, we have a small hospital in Dhaka city with 20 beds meant for low income families and the poor. In the last two years, we ran the hospital in deficit. Now, we can manage the running expenses. We hope to extend more services to the poor and needy. Therefore, we need to create more facilities to do so. Secondly, out of four regions of Dhaka, in one region there is a possibility of evangelization especially among the indigenous people. We would like to spend money from the Mission Appeals for these two intentions.

This includes old/unneeded meds, which could contaminate waterways. Some local police stations take back unused meds. Search [Earth 911.com](http://Earth911.com) for local recycling/disposal resources. Also check with your city, township or county for upcoming HHW collection events, and with your state EPA office for permanent HHW drop site locations.
