# CATECHETICAL SUNDAY

**Catechetical Sunday** is a wonderful opportunity to reflect on the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. This year, the Church celebrates Catechetical Sunday on September 17, 2023, and the theme is: **“Come to me all you who labor and are burdened”**. Those who the parish community has designated to serve as catechists will be called forth to be commissioned for their ministry.

Catechetical Sunday is an opportunity for all to rededicate themselves to this mission as a community of faith. So today, as we celebrate the 88<sup>th</sup> anniversary of the Vatican’s mandate to celebrate the catechetical ministry, we ask the Lord’s blessing upon all of us, but most especially upon those who have acknowledged and accepted their Baptismal privilege to catechize and proclaim the Word of God through the ministry of catechesis.

Please keep our Sacred Heart Religious Education Catechists in your prayers:

### THIS WEEK'S STEWARDSHIP RECOMMENDATION:

**Conduct a Home Energy Assessment:** Call your electricity provider to see if they provide a free energy assessment of your home. This often includes free or discounted LED light bulbs, programmable thermostats, low flow showerheads, faucet aerators, power strips and hot water pipe insulation...for significant household energy savings.

**Conduct a Home Energy Audit:** After an assessment, the next step is a professional audit. An audit usually costs but can have a fast payback. A blower is placed on your door and ductwork to find air leaks. IR guns determine insulation effectiveness. The EPA estimates that homeowners typically save 15% on heating/cooling costs each year by air sealing homes and adding insulation. Your power company may be able to help you identify qualified energy auditors.
