Weekly Prayer

Sunday's Readings

First Reading:

"You shall not wrong any widow or orphan.
If ever you wrong them and they cry out to me,
I will surely hear their cry.
My wrath will flare up, and I will kill you with the sword;
then your own wives will be widows, and your
children orphans." (Ex 22:21-23)

Psalm:

I love you, Lord, my strength. (Ps 18)

Second Reading:

For they themselves openly declare about us
what sort of reception we had among you,
and how you turned to God from idols
to serve the living and true God
and to await his Son from heaven. (1 Thes 1:9-10)

Gospel:

"You shall love the Lord, your God,
with all your heart,
with all your soul,
and with all your mind." (Mt 22:37)

Saint of the week

Blessed Father Francis Xavier Seelos was a German immigrant and Redemptorist priest deeply committed to serving those marginalized in the USA during the 1800s. He was known for his gentle and compassionate nature and his tireless dedication to the poor and the sick.

Prayer

O Lord, my strength, and my Redeemer, let the words of my mouth and the meditation of my heart be pleasing in Your sight. I offer to You the grace You have bestowed on Your humble missionary, Blessed Francis Xavier Seelos.

May I have the same joyful vigor that Blessed Seelos possessed during his earthly life to love you deeply and live faithfully your gospel. Amen.

Creation Care Corner

"...human beings frequently seem to see no other meaning in their natural environment than... consumption."

— Pope John Paul II

Reduce the Impact of Acquisition

It's always a good time to reflect on our relationship with the environment: how we live and how our lifestyles impact the natural world. The sum total of all our daily purchases can have a huge effect on our environment. Consider scrutinizing purchases that utilize non-renewable resources, that have excessive global warming emissions, or generate more toxic waste from their manufacture. Also try to be mindful that the next day delivery services we may prefer often utilize 1/2-empty trucks scurrying across town, contributing to more air pollution. Consider examining what you really need, how quickly you need it, its environmental impact, and whether it even needs to be a "new" purchase. Pope Francis has urged us to adopt more simple, sustainable lifestyles and to be mindful of our impact on and interdependence with nature. Less is more.
