MOTHER'S DAY PRAYER CARDS

Religious Education once again will offer an opportunity for you to honor the special women in your life - your Mother, Grandmother, Godmother, Aunt, Sister, Wife, Mother-In-Law, Daughter, Friend – those women who helped you to be the person you are – this Mother's Day.

Mother's Day Prayer cards are available in the back of the church and in the chapel hallway. There are two baskets, one containing cards for the living and another with envelopes to list the deceased. A basket will be placed at the altar on Mother's Day weekend, **May 11-12**. The intention of all names in the basket will be prayed for collectively during the Prayers of the Faithful.

We'd like to publish the names of all to be remembered in the May 11 -12 bulletin. We ask that you return the enrollment envelopes with your donation and the **names clearly printed or typed, no later than TUESDAY, May 7**, by dropping them in the Sunday collection basket or bringing them to the Ministry Center (Monday, Wednesday or Friday 10am - 6pm) or in our parish drop box (24/7).

PLEASE NOTE: Names received after Tuesday, May 7 will be placed on the altar and remembered at the Mother's Day Masses. However, if by time constraints they are unable to be included in the Mother's Day bulletin, the names will appear in the May 18-19 bulletin.

*Please help the Religious Education Program in this important fundraiser.
Remember your special "Moms" in this spiritual way this Mother's Day!*

Creation Care Corner

"... the related 'greenhouse effect' has now reached crisis proportions as a consequence of industrial growth, massive urban concentrations and vastly increased energy needs."

— Pope John Paul II

Calculate your carbon footprint.

Popes Francis, Benedict XVI and John Paul II have all spoken of the need to address climate change. It's influenced by the amount of heat trapping CO2 and other greenhouse gases (GHGs) in the atmosphere. Small atmospheric GHG % increases can have a significant impact on Earth's temperature rise. Every day, across everything we do and buy, we contribute to GHG emissions. Calculators can help us better understand how much carbon is produced by different activities. Then, if you decide to reduce your emissions, you'll know where you can generate the biggest impact. Start with this easy to use calculator: <https://www3.epa.gov/carbon-footprint-calculator/> (This EPA calculator does not include air travel, which often is a major contributor to household emissions, but can still help you ID great savings opportunities).

An Invitation to Pray

In response to our Blessed Mother's requests, the Rosary is prayed after the weekday morning Masses on most days. All are welcome to gather in the day chapel in Church after Mass and join your petitions with others. During these troubling times, the powerful prayer of the Rosary is needed more than ever. It only takes a short time and it is time well spent!
