Rev. Patrick M. Tucker

Congratulations on your 50th Anniversary!

Ordained May 8, 1974

As reported in the current archdiocesan newspaper, the *Chicago Catholic*, Father Pat “served as associate pastor of St. Charles Lwanga (1974-1979) and St. Benedict, Blue Island (1979-1981), before being named pastor of St. Martin (1981-1990). He was then associate pastor of St. Benedict the African (1990-1992) and Mater Christi, North Riverside (1992-1996). He was pastor of St. Bernardine, Forest Park (1996-2009), and Sacred Heart, Palos Hills (2009-2016).” He also served in many other capacities in the archdiocese during his 50 years of priesthood, even into his retirement.

Father Pat, all of us at Sacred Heart Parish are eternally blessed that your priestly journey brought you to us. We enjoyed your stories of family and faith, along with your vast knowledge of Scripture.

Your quick wit left us guessing sometimes, as you seemed to enjoy some light humor. Your care for the whole family of Sacred Heart was apparent. Your devotion to ministry was exemplary. We are most grateful!

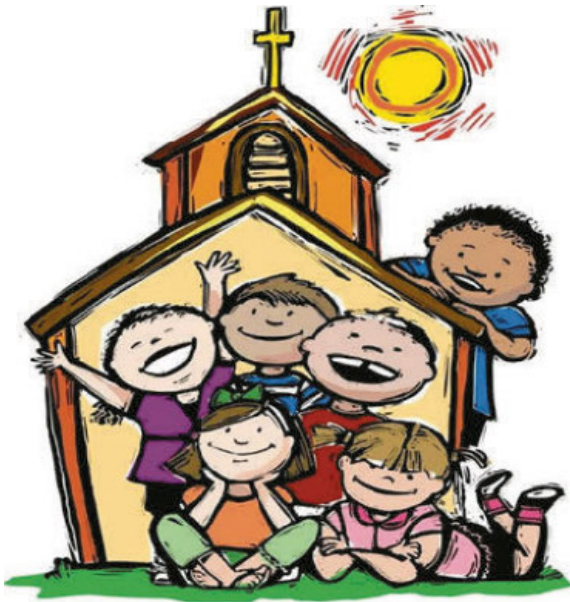

**May God continue to guide and bless you for many years ahead.
Happy Anniversary!**

Creation Care Corner

Celebrating the Anniversary of Pope Francis' transformational encyclical, Laudato Si'.

"Care for Creation" and *Laudato Si'* (Part I)

- The Pope's encyclical, *Laudato Si'*, is a text of landmark significance in Catholic Social Teaching.
- Francis, like his thirteenth-century namesake, calls the earth our "common home," which is like our sister.
- But we are damaging this familial relationship as we seriously degrade the environment. In so doing, we are damaging our relationship with other humans, particularly those least equipped to adjust to the changing environment: the poor and future generations.
- The Pope encourages people to examine and change their lifestyles through sound ecological virtues, greater simplicity and less focus on material things.
- Francis extends an "urgent challenge to protect our common home ... to bring the whole human family together to seek a sustainable and integral development, for we know that things can change."
- By taking personal action and reducing excessive consumption and waste in our lives, we can meet our obligation to reduce our impact on the environment while creating a sustainable future for generations to follow.
