JUNE 16, 2024

11TH SUNDAY IN ORDINARY TIME

"To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants." - Mk 4:30-32b

THANK YOU!!

Thanks for another tremendous food drive this weekend.

We're outpacing last year by 41% (4,879 lbs. vs. 3,467 lbs.). Your increased donations empower the team at Elsie's Pantry to assist more of our spiritual sisters and brothers in need. This is a collective effort. And together, we are making a difference...there's no doubt. We're excited to tabulate this month's numbers and report back. Until then, thanks again and God bless. — The Pizur Family

PRAYER SHAWL GIVE-A-WAY—CELEBRATE OUR MISSION OF PRAYER SHAWLS

The Prayer Shawl Ministry of Sacred Heart Parish will have a display of their handiwork after all the weekend masses June 22-23. This Ministry has been here since 2010 and we have made and distributed over 5000 shawls. Each shawl comes with a special blessing. They are available free of charge. If you or someone you know is in need of a special 'Embrace of the Lord' please select one. At our bi-monthly meetings we remember prayerfully all who have received this gift.

The display is on the front pews on the right side of the church. You can learn more about this Ministry from our members. We also welcome you to join us in this wonderful expression of gratitude, love and respect for all God's people.

ROZDANIE SZALI MODLITEWNYCH

Creation Care Corner

INTEGRAL ECOLOGY is a concept Pope Francis explores in his encyclical *Laudato Si'*. It's a perspective needed if we want to make significant progress on creation care concerns because "...everything in the world is connected" (LS 16). "Nature...", Francis writes, "cannot be regarded as something separate from ourselves or as a mere setting in which we live." "We are part of nature." So, in considering solutions to the environmental crisis, we need to "seek comprehensive solutions which consider the interactions within natural systems themselves and with social systems." This, Francis says, is because "we are not faced with two separate crises, one environmental and the other social, but rather one complex crisis which is both social and environmental."

By adopting a perspective based on an integral ecology, new insights can be generated for a more holistic approach to problem solving that promotes care for each other, as well as the earth. Francis states, "...that genuine care for our own lives and our relationships with nature is inseparable from fraternity, justice and faithfulness to others" (LS 70). And in recognizing our interconnectedness within the ecosystems that sustain us, we will stop seeing God's creation as simply existing to serve our needs. We'll better understand our place within the delicate web of life. For more information:

CHARITABLE GIFT ANNUITY

As stewards of our faith, we can express our gratitude for the bread given to us from heaven and help ensure that God's good work on earth continues by considering a charitable gift annuity. When you establish a charitable gift annuity with the archdiocese, not only will you receive fixed payments for life, but you can designate our parish as the remainder beneficiary.

How It Works:

- Make a gift of \$10,000 or more to the Archdiocese of Chicago. Fund your gift annuity with cash or securities.
- Receive fixed payments for life – for yourself or a loved one age 60 or older. Payment rates are based upon the age of the annuitant at the time you establish the gift annuity.
- Enjoy immediate and future tax benefits, including a federal income tax deduction for a portion of your gift, if you itemize. You can schedule payments according to your financial needs, and a portion of each annuity payment will be tax-free (through life expectancy).
- The funds remaining after your lifetime will support our parish or school – as designated by you.
