BLESSED VIRGIN MARY

A Picnic “Thank You” Letter!

ALOHA and MAHALO!!

We are so Blessed to have such a Wonderful Church Family. All due to YOU, our parishioners, is why our picnic is a success every year. We hope you enjoyed the “Hawaiian” theme, and we loved seeing so many of you with your Hawaiian outfits! Especially Fr. Jacek with his straw hat!!! **THANK YOU** for supporting Sacred Heart Parish and enjoying a great day of fun and togetherness.

Our sincerest gratitude goes out to all the Committee Heads and Volunteers who dedicated so many hours of their time on Saturday & Sunday in preparation before, during and after the picnic.

We also enjoyed the Jawory Polish Dancers. Thank you so much for sharing your talent with us.

Thank you to the Polish Club and Bogumila Hejna who is at the helm every year and organizes the always delicious Potato Pancakes and Polish Sausage. Back for the second year was the Slovakian Goulash. Thank you to Jaroslav & Olga Macak and Monica & Kazimierz Szlembariski and the team for bringing this scrumptious dish to our picnic tradition. We truly appreciate the many, many hours of preparation and your continuous work during the entire picnic. Thank you.

Our Sacred Heart favorite and longest tradition – Corn on the Cob. Thank you to Jerry Hoenig who wakes up in the wee hours of the morning on Sunday and drives several hours to buy the freshly-cut corn from the farm! And then cooks the corn the entire day! Thank you to the Holy Name Society who generously supplied the corn.

Also back this year, Sacred Heart CCW Bake Sale. Thank you to all the Parishioners/Volunteer Bakers who shared their baking talents. We appreciated your yummy donations. CCW President, Melanie Karnia, gathered the devoted CCW members and worked diligently sorting, wrapping, pricing, and selling the delicious baked goods. Ladies, Thank you so much.

A HUGE Thank You to Ed Fialek and Sam Napoleon, who headed up the Knights of Columbus “team” to bring back the always popular grilled Hamburgers & Hot Dogs!! It was missed the last few years and your hours of preparing and grilling were appreciated so much!

Adding to the success was the Family Fun, Grab & Go Games, and BINGO! Thank You to the Pizur Family, Elizabeth Droel, Geri Muscato, Rosemary Fialek, Gary Niemec and Ted Wolski. Thank you for your devotion and especially your time for bringing families together with a variety of fun activities for everyone.

Special “Thank You” to:

Tom and Jen Frankowicz, Sangria Wine Booth

Nancy Webster, Kids Raffle Prizes

John Frankowicz, Pop Corn

Greg Gniadek, Ice Cream Cart

Robert (Bob) Kroll – Balloon Artist

Olivia and Emily Chlebek – Cotton Candy

Carmela Baniewicz, what could we say! Thank you for spending countless hours recruiting, calling and organizing literally 100 volunteers! Your organization skills, support, and friendship mean the world to us!

Thank you to the ENTIRE Sacred Heart Staff who go above-and-beyond for us each year in helping with picnic-related responsibilities weeks before the picnic even starts. Beth, Paul, Elizabeth, Ginny, Marco, Barbara, Andrzej, Tony, and Dariusz. You’ll never know how much we appreciate you! Renata Chlebek, Wow, your assistance and support this year was unbelievable. Thank you!

And finally, “Thank You” to Fr. Jacek and Fr. Jarek for your prayers and support! We loved seeing you throughout the day!

Your 2024 Sacred Heart Picnic Committee : Maureen Pietryla, Ann Marie Cody, Nick Furio, Dave Cody.

Creation Care Corner 

INTEGRAL ECOLOGY is a concept Pope Francis explores in his encyclical *Laudato Si'*. It's a perspective needed if we want to make significant progress on creation care concerns because "...everything in the world is connected" (LS 16). "Nature..." Francis writes, "cannot be regarded as something separate from ourselves or as a mere setting in which we live." "We are part of nature." So, in considering solutions to the environmental crisis, we need to "seek comprehensive solutions which consider the interactions within natural systems themselves and with social systems." This, Francis says, is because "we are not faced with two separate crises, one environmental and the other social, but rather one complex crisis which is both social and environmental."

By adopting a perspective based on an integral ecology, new insights can be generated for a more holistic approach to problem solving that promotes care for each other, as well as the earth. Francis states, "...that genuine care for our own lives and our relationships with nature is inseparable from fraternity, justice and faithfulness to others" (LS 70). And in recognizing our interconnectedness within the ecosystems that sustain us, we will stop seeing God's creation as simply existing to serve our needs. We'll better understand our place within the delicate web of life. For more information:

Music Department News

Hello! Sue and I have been the Directors of Music Ministry since 2018. We love being part of this family! During our time here, we have improved the sound system, worked to build the choir, added a new vocal group (Voices of Praise) and brought new music to you. With the help of Sacred Heart organizations and your generous donations, we were fortunate to be able to update our Gather books in 2020.

Currently we are looking to upgrade the piano in the church. Let me explain.

First of all, given the age of the electronic piano, there have been a number of service calls that have been made and parts have been replaced. However, the parts needed to keep it up and running are hard to get because of the age of the instrument. Just like many other older instruments or appliances, as they age, companies don't carry parts for very long because new models come out every year.

There are issues with the current piano that are concerning and indicate a failure could happen soon and a quick decision would need to be made to replace it and could leave us without a piano. Therefore, we need to be proactive in replacing the piano before it breaks down. In the world of technology things change very fast and what's new this year is obsolete and out of date a year or two later. We all know this when it comes to our cell phones, computers and TVs. This brings out the second point.

The proposal here is not to go electronic but acoustic. Acoustic pianos have been around for hundreds of years and all pianists prefer and perform better on the acoustic piano as it is the real instrument. Electronic pianos are lower quality and an imitation of the acoustic piano. An acoustic piano from a reputable manufacturer of high-quality pianos can last over 50 years. In comparison, electronic pianos are lower quality and are rated 10-20 years.

At this time, we wanted to inform the parishioners as well as open up the possibilities for sponsors interested in funding the new piano for our church. If interested in sponsoring us please see me, John O'Keefe or Fr. Jacek for more information.

DOMESTIC VIOLENCE

OUTREACH

Domestic violence is a pattern of abusive behavior in any relationship that is used by an intimate partner to **CONTROL AND MAINTAIN POWER** over another intimate partner.

In the US an average of 24 people per minute are victims of physical violence, rape or stalking - more than 12 million victims in a year.

Need help? National Domestic Violence Hotline:
1-800-799-7233

Food Collection Next Weekend

Last month, you graciously donated 785 lbs. of food and goods. While it was our lowest collection of the year, it still made an impact. Our donations helped bridge the gap until Elsie's Pantry receives their next significant food delivery from the USDA (which is why we conduct our collections on the 3rd weekends of the month). You are living the bible passage below via your generosity to our ministry. So, keep us in mind next weekend (Aug. 17-18) as we conduct our August food collection. Keep doing all that you do with love! Yours in Christ, The Pizur Family

Let all that you do be done in love. 1 Corinthians 16:14
