## 25<sup>TH</sup> SUNDAY IN ORDINARY TIME

# St. Vincent de Paul Feast Day is September 27

St. Vincent de Paul is much more than a patron saint of thrift shops!

Young Vincent became a priest hoping to advance and rise above his modest upbringing. His early ambition amounted to little when he was assigned to a poor rural parish. Here he experienced a new joy in his vocation. Hearing the profound deathbed confession of a dying servant, Vincent became more convinced of the special attention that must be given to the poor.

In 1625, Vincent founded the Congregation of the Mission for the purpose of caring for the poor. Originally priests only, the mission expanded to include groups of laity who provided for spiritual and material needs of the poor in each parish. Nearly 400 hundred years later, his legacy lives on!

## BUNDLE WEEKEND

The St. Vincent de Paul Society is hosting a bundle drive **NEXT WEEKEND, September 28 and 29.** (Saturday hours 9:00 – 4:30 and Sunday hours 7:30 – 12:00). Clothing and small items such as lamps, glassware and cookware are welcome. Please bring your donations to the trailer located in the church parking lot. Your donations benefit the St. Vincent de Paul Thrift Store in Orland Park. Help us to help our neighbors in need. Thank you!

For those who donated your treasures at this weekend's food drive, we express our sincerest thanks. We are humbled by your unwavering commitment in helping our neighbors in need. Without you, this ministry would cease to exist. For those who didn't participate, there's always another opportunity. Food collections are held the 3rd full weekend of every month. So, we'll look forward to seeing you there. Until then, we'll see you in the pews on Sundays and out in the community during the week.

During these troubling times, the powerful prayer of the Rosary is needed more than ever. It only takes a short time and it is time well spent!

## **Protect Species Diversity**

Scientists report that nearly one million species are at risk of extinction by the end of this century, driven by human activity. Biodiversity is necessary for a healthy world. We can take individual action to protect biodiversity by:

- ◆ Reducing our fossil fuel usage which contributes to warming that is contributing to growing extinction rates
- ◆ Eating foods that require lower land use or reduce aquatic impact to minimize habitat loss
- ◆ Advocating for Congressional legislation that will conserve nature and promote clean energy  
Supporting local conservation efforts or organizations that are making a difference
- ◆ Planting native flora to support the wildlife around you, and minimizing your use of pesticides and herbicides.
- ◆ Consider spending time to better understand how the way we live our lives impacts the world around us. There are opportunities for all of us to make modifications to help ensure future generations can enjoy a world as beautiful, diverse and ecologically healthy as the one we inherited.

*“Because of us, thousands of species will no longer give glory to God by their very existence...  
**We have no such right**” (LS 33). -Pope Francis*
