## 28<sup>th</sup> SUNDAY IN ORDINARY TIME

They were exceedingly astonished and said among themselves, "Then who can be saved?" Jesus looked at them and said, "For human beings it is impossible, but not for God. All things are possible for God."

## OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

Domestic violence is a pattern of abusive behavior in any relationship that is used by an intimate partner to CONTROL AND MAINTAIN POWER over another intimate partner. In the U.S., an average of 24 people per minute are victims of physical violence, rape or stalking - more than 12 million victims in a year.

## Creation Care Corner

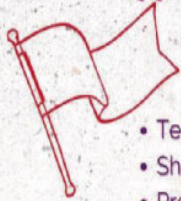

*"...human beings frequently seem to see no other meaning in their natural environment than... consumption."*

— Pope John Paul II

### Reduce the Impact of Acquisition

It's always a good time to reflect on our relationship with the environment: how we live and how our lifestyles impact the natural world. The sum total of all our daily purchases can have a huge effect on our environment. Consider scrutinizing purchases that utilize non-renewable resources, that have excessive global warming emissions, or generate more toxic waste from their manufacture. Also try to be mindful that the next day delivery services we may prefer often utilize 1/2-empty trucks scurrying across town, contributing to more air pollution. Consider examining what you really need, how quickly you need it, its environmental impact, and whether it even needs to be a "new" purchase. Pope Francis has urged us to adopt more simple, sustainable lifestyles and to be mindful of our impact on and interdependence with nature. Less is more.

## WARNING SIGNS *of abusive behavior*

- Telling you that you never do anything right
- Showing extreme jealousy of your friends
- Preventing you from spending time with friends/family
- Insulting, demeaning, or shaming you, especially in front of other people
- Preventing you from working or attending school
- Controlling household finances including taking your money or refusing to provide money
- Pressuring you to have sex or perform sexual acts without your consent
- Pressuring you to use drugs or alcohol
- Insulting your parenting or threatening to take away your children or pets
- Intimidating you with looks, actions, or weapons like guns, knives, bats, or mace
- Destroying your belongings or your home
