## FIRST RECONCILIATION AT SACRED HEART

This Wednesday, January 15th, will be an important day for **35** children of our parish’s Religious Education Program. On this day, our students will participate in a Reconciliation ceremony receiving the sacrament of Jesus’ love and forgiveness for the first time. The children will now begin their study of the Mass in anticipation of their First Communion in the spring. Please keep our eager students in your prayers.

## FUN CLUB

With the start of the 2025 New Year, why not make the decision to join the Sacred Heart Fun Club?! The Fun Club welcomes new members (age 60 plus) to join our club.

We meet on the first and third Wednesday of the month at the Moscow Center. Doors open at 11:30. Membership is \$5.00 per year. Members age 85 plus are considered honorary members and do not have to pay dues. Come and enjoy an afternoon of fun and fellowship.

**Our first meeting of 2025 is this Wednesday, January 15th.** Any questions, please call Chris Petritis at (708) 974 4393.

### Sharing Parish Food Collection

Sacred Heart family, thank you so much for your generosity in 2024. Because of your donations, our less fortunate brothers and sisters had more food on their tables. Please continue to keep our brothers and sisters in mind as you shop. With the arrival of winter weather and colder temperatures, the need at Elsie's Pantry is great.

**Next weekend, January 18th and 19th, is our first food collection of 2025.** Begin the New Year with a simple act of generosity and compassion. Even one box of cereal or one small meal prep kit can make a difference in someone's life.

Happy New Year, The Pizur Family

## Children's Liturgy of the Word NEXT Sunday, January 19th 10:00 am Mass

At Mass, all children are invited to experience the Liturgy of the Word at their own level. Children will be called forward and after a blessing from Father, sent with their catechists to hear the scriptures. Children will explore the scriptures through reflection, discussion and age-appropriate activities. They then return to the main body of the church for the Liturgy of the Eucharist. We hope to offer Children's Liturgy of the Word once a month. All children are welcome to participate.

**Turning Down the Gas**

A big challenge in caring for creation is reducing greenhouse gas (GHG) emissions. Methane is a powerful greenhouse gas that often leaks into the atmosphere. It is a significant contributor to global warming. Sources include oil and gas mining, landfills, agriculture and even leaks in the pipes that bring natural gas (methane) into our homes for fuel. When natural gas is burned for fuel it creates CO<sub>2</sub>, which is also a GHG. In our homes, it can create air quality issues as well.

Electrification of space and water heating, as well as cooking appliances, is an enormous opportunity to cut greenhouse gas pollution and save money on energy bills. Electric heat pumps heat homes and water far more efficiently than fossil-fuel appliances. Induction stoves and cooktops are also more energy efficient than their gas counterparts. Where possible, as your natural gas-powered appliances reach the end of their life, investigate converting to newer electric appliances for a more sustainable future. This website is a valuable source of information on these options:
